

# STRAWBERRY DAIQUIRI « RED TWIG DOGWOOD

- Plant in full sun to part shade.
- Green and creamy-white variegated foliage. Attractive burgundy-red stems add winter interest.
- Great as a mass, border, or accent planting.

Spread

**Pruning:** Prune in early spring/late fall or as needed. Cutting the plant back to 8" – 12" every couple of years will maintain a strong stem color.

**Fertilizing:** Apply 12-12-12 fertilizer in March/April and in October/November. Use Chickity Doo Doo as an Organic alternative to 12-12-12.

**Watering:** During the first year, deeply water plants once a week until the ground freezes in Fall. When watering, let the water slowly soak around the plant. Also remember to use **Root Stimulator** when watering.
