

# EDITH BOGUE MAGNOLIA

- Plant in full sun to part shade.
- A cold hardy evergreen magnolia with white flowers from spring into summer.
- Great as a specimen or accent tree.

**25' - 30'**  
Height

**10' - 15'**  
Spread

**Pruning:** Prune in summer after the tree has flowered if needed.

**Fertilizing:** Apply 12-12-12 fertilizer in March/April and in October/November. Also a fall application of Superphosphate will enhance flowering. Use Chickity Doo Doo as an Organic alternative to 12-12-12.

**Watering:** During the first year, deeply water plants once a week until the ground freezes in Fall. When watering, let the water slowly soak around the plant. Also remember to use **Root Stimulator** when watering.
