Height

2' - 3'
Spread

Pruning: Prune out dead in early spring and as needed to maintain shape.

Fertilizing: Apply Fertilome Rose Food once a month from March – July. Use Chickity Doo Doo or Bradfield Organics Riveting Roses as Organic alternatives.

Watering: During the first year, deeply water plants once a week until the ground freezes in Fall. When watering, let the water slowly soak around the plant. Also remember to use **Root Stimulator** when watering.
